Atty Ruiz

,

Dear Atty Ruiz,

Thank you for allowing me this opportunity to provide you with our exclusive Market Analysis for your home. This analysis, especially prepared for you, was researched from reliable information currently available from the local multiple listing service. It indicates what real estate activity has occurred in your area with other properties. While none of the properties are exactly like yours, they do provide a good reference source for a comparative market analysis.

I welcome the opportunity to work as your real estate professional. I encourage you to contact me should you have any questions or require any additional information.

Sincerely,
Fermin Perez, CNC
